This Product Disclosure Statement ('PDS') tells You about this insurance and is designed to help You make an informed choice before buying this insurance. This PDS explains the cover, what happens in the event of a claim, and what You need to do when You insure with Us.

It is important that You read this document and the Certificate, understand the cover provided, make sure all the information is correct and if You need to change anything, contact Us.

From time to time We will need to update this PDS. If the update results in a material change from the PDS You hold, We will send You another PDS or a supplementary PDS. You may request a copy of the PDS free of charge at any time by contacting Us.

Summary of what You are covered for and the purpose of the cover

This ShareCover Cabin Group Policy is intended to cover a Cabin that is used for Temporary Rental Accommodation and its Contents for loss or damage from certain events (for example fire, theft and storm) during the Period of Insurance as well as loss or damage from certain events caused by the act or omission of a Guest or a Guest's visitor (such as malicious damage or theft) during a period of Temporary Rental Accommodation during the Period of Insurance. We will provide cover up to the sum insured shown on the Certificate for 'Buildings Cover' and 'Contents Cover' (as applicable) for all claims for loss or damage arising from the one event.

The ShareCover Cabin Group Policy provides insurance cover throughout the Period of Insurance under Section 1 but the cover under Section 2 is only provided while a Guest is in Temporary Rental Accommodation in the Cabin. The cover includes:

- Cabin and Contents insurance;
- Guest Short-stay Cover;
- cover for liability that may arise from Personal Injury or Damage to Property; and
- additional benefits within the limits set out in this PDS.

See the Important Note below for some of the limitations in cover under this Policy.

Important note

The insurance is entered with You and provides cover for Owners in the terms set out in the Policy. There is no cost or other amount payable for this Policy by an Owner who may be covered under this Policy except that an Owner must pay an Excess for any claim made under the Policy.

Owners are not parties to the contract between Us and You. This means that Owners cannot do certain things (for example, they cannot vary or cancel the Policy – only You can do this).

Owners have a right to recover their loss in accordance with the cover We have agreed to provide under this Policy to You by way of right under section 48 of the *Insurance Contracts Act 1984 (Cth)*. Section 48 provides that Owners have the same obligations in relation to a claim made by them that You would have to Us (for example complying with the 'Claims' section) and may discharge Your obligations in relation to a loss. We have the same defences to an action by the Owner as We would in an action by You.

Where the Policy covers Owners, You:

- a) are not Our agent;
- b) act independently from Us in entering into this insurance contract; and
- c) do not hold an Australian Financial Services Licence and are not authorised by Us to provide any recommendations or opinions about the insurance or other financial services to Owners or any other party. The Owner should consider obtaining their own financial product advice about the cover from a person who is able to give such advice under an Australian Financial Services Licence.

The Owner may contact Us on contact@sharecover.com to verify that the Owner is covered by this Policy and this Policy remains current. The Owner will not be charged for this information.

Any notices of expiry, variation, avoidance or cancellation will be sent by Us to You, but will not be sent to the Owner. You are required to notify Owners when this occurs.

You must provide all Owners:

- a) with a notice if it is not reasonable to expect that this Policy will apply for the period of time the Owner uses Your services or their Cabin is available on a Recognised Platform. If You fail to provide such notice You may be liable to compensate the Owner who suffers loss or damage;
- b) with a notice if this Policy is, or is likely to be, cancelled or not renewed. If You fail to provide such notice You may be liable to compensate the Owner who suffers loss or damage;
- c) if You have reason to believe that the Owner will be entitled to cover under this Policy, with a copy of this Policy; and
- d) a copy of this Policy free of charge within a reasonable time after the Owner has requested it.

As We are not in direct contact with, nor do We know the identity of Owners prior to them using Your services or a Cabin being available on a Recognised Platform, We rely on You to ensure that Owners receive the required information.

ShareCover Cabin Group Policy provides cover to an Owner for loss and damage to a Cabin and Contents by certain events occurring during the Period of Insurance under Section 1. Cover is also provided in relation to loss or damage to a Cabin and Contents caused by certain events directly caused by the act or omission of a Guest or a Guest's visitor under Section 2 but only if the loss or damage occurs during a period of Temporary Rental Accommodation during the Period of Insurance.

ShareCover Cabin Group Policy will not insure:

- any Cabin that has not been recognised as a habitable environment by government authorities (e.g. tree houses);
- any Cabin that the relevant local government, council or government authority does not permit to be used as tourist, visitor or other short term or temporary accommodation; or
- licensed hotels, motels, resorts, inns, or similar licensed venues for accommodation.

The most We will pay for loss or damage to the Cabin under Section 1 or Section 2 is the sum insured for 'Building Cover' and for loss or damage to the Contents is the sum insured for 'Contents Cover' on the Certificate.

It is Your responsibility to ensure that the Policy You have is appropriate to Your needs and it is the responsibility of Owners to ensure that the Policy is appropriate to their needs and the amount of insurance cover accurately reflects the cost to replace the Cabin and Contents insured under this Policy in the event of a claim. You or an Owner may be required to show proof of this in the event of a claim.

This is only a summary of the cover. It is important that You and any Owner read the PDS in full and the Certificate to ensure that You and any Owner understand the limitations of the cover.

Things You need to tell Us

There are things You need to tell Us or We may refuse or reduce a claim or cancel Your Policy. We may cancel or change the terms of Your Policy if Your circumstances change.

You must advise Us:

- of the Recognised Platform a Cabin is listed on or booked on and evidence of the listing;
- if there is or will be any material change relating to the Owners or the Cabins insured under this Policy including but not limited to the number of Cabins or the types of Cabins covered; and
- of any change to the terms and conditions between You and an Owner and a Guest for Your services or use of a Recognised Platform.

Changes to Your Policy

If You wish to change any details of Your Policy, You must contact Us. If We accept the changes, We will provide You with an updated Certificate that will confirm the change and advise You of any additional Premium payable or refund You will receive for such change.

Premium

If We accept Your application for this insurance, You must pay the Premium shown on the Certificate for this Policy by the due date for each payment.

How We calculate Your Premium

We determine Your Premium by considering a number of factors including but not limited to: location of the Cabin; the type and amount of cover You require; the Excess You select; and Your relevant claims and insurance experience. Factors that increase the risk to Us generally increase the Premium (e.g. a higher sum insured or a lower Excess) and those that lower the risk generally reduce the Premium (e.g. a lower sum insured or a higher Excess). If You have any queries about this, please contact Us.

Your Premium also includes amounts that take into account Our obligation (actual or in some cases estimated) to pay any relevant compulsory government charges, taxes or levies (for example, stamp duty, GST and fire services levy).

Your Premium together with the actual amount of these individual charges, taxes or levies will be shown on the Certificate.

How to pay Your Premium

The Premium for this Policy will be payable on a monthly adjustable basis calculated as set out in the 'Premium Adjustment' clause in the Certificate.

If You do not pay the Premium by the due date as set out in the Certificate, We may cancel the Policy.

Excess

The Excess is the amount an Owner must contribute towards each claim made under this Policy. An Excess does not need to be paid for claims under Section 3: Liability Cover. The Excess will be shown on the Certificate. An Owner only has to pay one Excess on all claims made under this Policy that arise out of the one event.

Cooling off

You have 21 days (the 'cooling off' period) after the Policy is issued to change Your mind and tell Us that You want to cancel the Policy. We will refund Your Premium so long as You have not made a claim.

Cancellation

You may cancel Your Policy at any time by contacting Us. Your cancellation will be effective from the date of cancellation. We will refund any Premium You have paid for the period after cancellation.

We may only cancel Your Policy in accordance with the *Insurance Contracts Act 1984 (Cth)* including if You do not comply with the Policy terms and conditions. If We cancel Your Policy, We will inform You in writing and We will refund any Premium You have paid for the period after cancellation.

Renewal

At least 14 days prior to expiry of Your Policy We will give You notice in writing of the date and time at which Your Policy will expire and advise You if We are prepared to renew Your Policy. If We offer to renew Your Policy, You must pay the Premium shown on the renewal notice by the due date shown on the renewal notice.

Subrogation

Subject to the *Insurance Contracts Act 1984 (Cth)*, We have the right to recover any amount paid by Us from any person (including a Guest or a Guest's visitor). You or the Owner may be able to hold liable (this is termed a subrogation right) and:

- a) We will have full discretion in the conduct, defence or settlement of any claim and the right to take any action in Your name or the name of the Owner;
- b) You and the Owner will provide Us with all documents and information We require to conduct any action in Your name or the name of the Owner; and
- c) You and the Owner and any other person entitled to recovery under this Policy must provide Us with all information and cooperation We may require in a timely manner when requested by Us.

Interested parties

If an Owner has used all or part of their Cabin as security for a loan with a credit provider (eg. a mortgage provider) they must provide Us with information about this credit provider in the event of a claim for loss or damage to the Cabin, and if We pay a cash settlement for a claim We may pay the credit provider in full or part settlement of the claim. Please see the 'Credit providers' rights' section.

Electronic communications

In taking out this Policy, You have consented to all notices under the Policy being provided electronically to the email address You have provided to Us.

Goods & Services Tax (GST)

All the benefits listed in this Policy include GST. If We cash settle a claim, Our claim payment will be based on a GST inclusive cost. However, if an Owner is or would be entitled to claim any input tax credits for the Cabin and Contents, We will reduce any claim by the amount of such input tax credits. If an Owner (or any party entitled to a benefit under this Policy) is entitled to any input tax credit, they must tell Us the extent of their entitlement.

Financial claims scheme

You may be entitled to payment under the financial claims scheme in the event that Insurance Australia Limited becomes insolvent. Access to the scheme is subject to eligibility criteria. Information about the scheme can be obtained from <http://www.fcs.gov.au>.

Claims payment and Excess payment examples

The following examples are designed to show how a claim payment might be calculated and what amount You may be required to pay. These are examples only, do not cover all scenarios or benefits and do not form part of the Policy terms and conditions.

Claim example 1 – damage to a Cabin and Contents

The Certificate shows a 'Building Cover' sum insured of \$60,000, a 'Contents Cover' sum insured of \$5,000 and an Excess of \$500 applying to the Policy. During the Period of Insurance, a storm causes damage to the roof of an Owner's Cabin and water entering through the damaged roof and causes damage to a bed. We accept the Owner's claim under Section 1 and assess the cost to repair the damage to the roof to be \$3,000 and the cost to replace the bed to be \$1,000.

We arrange a contractor to repair the damage to the roof and ceiling and pay the repairer \$2,500 being the cost of repairs less the Excess. The Owner pays the \$500 Excess direct to the repairer. We pay a supplier \$1,000 to supply the replacement bed to the Owner.

Claim example 2 – damage to a Cabin by a Guest and loss of rental income

The Certificate shows a 'Building Cover' sum insured of \$60,000, a 'Contents Cover' sum insured of \$5,000 and an Excess of \$500 applying to the Policy. During a period of Temporary Rental Accommodation during the Period of Insurance, the floor, walls and roof of an Owner's Cabin are damaged by a fire caused by a Guest's negligence. We accept the Owner's claim under Section 2 and assess the cost to repair the damage to be \$30,000. Our assessor determines that as a result of the damage and during the repairs, the Cabin will be Uninhabitable or Unsafe for a period of 3 weeks. During this 3-week period, the Cabin was booked for a period of Temporary Rental Accommodation of 10 nights at \$100 per night. This period of Temporary Rental Accommodation must be cancelled due to the repairs required. We accept the Owner's claim under the Loss of rental income additional benefit.

We arrange a contractor to repair the damage and pay the repairer \$30,000 being the cost of repairs. We pay the Owner \$500 being the claim for loss of rental income of \$1,000 (10 nights x \$100) less the \$500 Excess.

Claim example 3 - loss or damage to Your Contents by a Guest

The Certificate shows a 'Building Cover' sum insured of \$60,000, a 'Contents Cover' sum insured of \$5,000 and an Excess of \$500 applying to the Policy. During a period of Temporary Rental Accommodation during the Period of Insurance, an Owner's television is stolen from the Owner's Cabin by a Guest. The cost to replace the television is \$2,000. We accept the Owner's claim under Section 2.

We agree to pay the Owner a cash settlement of \$1,500 being: \$2,000 to replace the television; and less the Excess of \$500.

Claim example 4 – liability claim at a Cabin

The Certificate shows a 'Building Cover' sum insured of \$60,000, a 'Contents Cover' sum insured of \$5,000 and an Excess of \$500 applying to the Policy. During a period of Temporary Rental Accommodation during the Period of Insurance, a visitor of a Guest falls down the entry stairs from an Owner's Cabin and injures their knee. We or a court decide that the Owner is liable for \$50,000 for the claim made against the Owner by the visitor.

We settle the visitor's claim for \$50,000 and pay this amount to the visitor. We also pay Our lawyers \$7,500 to defend the claim on the Owner's behalf. You do not need to pay Us the Excess as it does not apply to claims under the Liability Cover.
